During our two weeks of Band Camp we will be strenuously preparing for a great year of band activities at FZW. Students are reminded that camp can be a demanding, physical time. Please be prepared by getting enough sleep the night before, and keep yourself hydrated.

It can be very hot this time of year, and we take your safety very seriously. We monitor the temperature and heat index constantly throughout camp to insure your safety. During the hottest part of the day, we will most likely spend our time inside. However, during morning and evening sessions, we will go outside.

A light morning and afternoon snack will be provided, but students should bring their own lunches.
